

To Whom It may Concern,

I meet your criteria to be added to your list under "Education" since I served for 5 ½ years on the Board of Education ending in 2009 for Borough of River Edge, NJ and I am of Portuguese ancestry since both of my parents are Portuguese born. In addition, I served for 6 years on The River Edge Borough Council Municipal Budget Committee, ending in 2008.

I hope you will consider & add my name to this list of honorable men & women.

Thank you,

Jose Branco
